### Spare part list for IAF9SE2

| No.          | ATLAN Part Code              | Description           | Remark  | Qty |
|--------------|------------------------------|-----------------------|---|-----|
| 1 (optional) | AL150                        | Extensible pipe       | Al. foil pipe, 150mm*2m                         | 1   |
| 2            | AT53CICS02                   | Inner chimney         | 500mm, 430#SS                                   | 1   |
| 3            | AT53COCS02                   | Outer chimney         | 500mm, 430#SS                                   | 1   |
| 4            | AT53CICB01                   | Inner chimney bracket |   | 1   |
| 5            | AT53COCB01                   | Outer chimney bracket |   | 1   |
| 6            | AT53CHK01                    | Hook                  |   | 1   |
| 7            | ATAUP3B01                    | Cable with plug       | AU plug, black                                  | 1   |
| 8,9,13,14,16 | AT53CCS901                   | Casing assembly       |   | 1   |
| 10           | AT53CPC01                    | PCB box cover         |   | 1   |
|              | AT53CPB01<br>(Alt# ATPCBA03) | PCB box bottom        |   | 1   |
| 11           | ATPCB01<br>(Alt# ATPCBA01)   | PCB                   | 220-240V/50HZ, halogen light, electronic button | 1   |
| 12           | ATCAP03                      | Capacitor             | 450V/ 10 $\mu$ F                                | 1   |
| 13           | AT53CPC01                    | PCB box cover         |   | 1   |
| 14           | ATPCB01                      | PCB                   | 220-240V/50HZ, halogen light, electronic button | 1   |
| 15           | AT53CLP01                    | lamp panel            | 430#SS, halogen light                           | 1   |
| 17           | KL-04                        | halogen light         |   | 2   |
| 18,19,20     | MTC701                       | motor assembly        | 1000m3/h motor                                  | 1   |
| 21,22        | AT53CES0601                  | Electronic switch     | AYD-006, blue light                             | 1   |
| 23           | AT53C9AF01                   | Al. filter            | 90cm  | 3   |
| 24           | AT53CSC01                    | screws                |   | 1   |
