

# 1. Control panel seat components

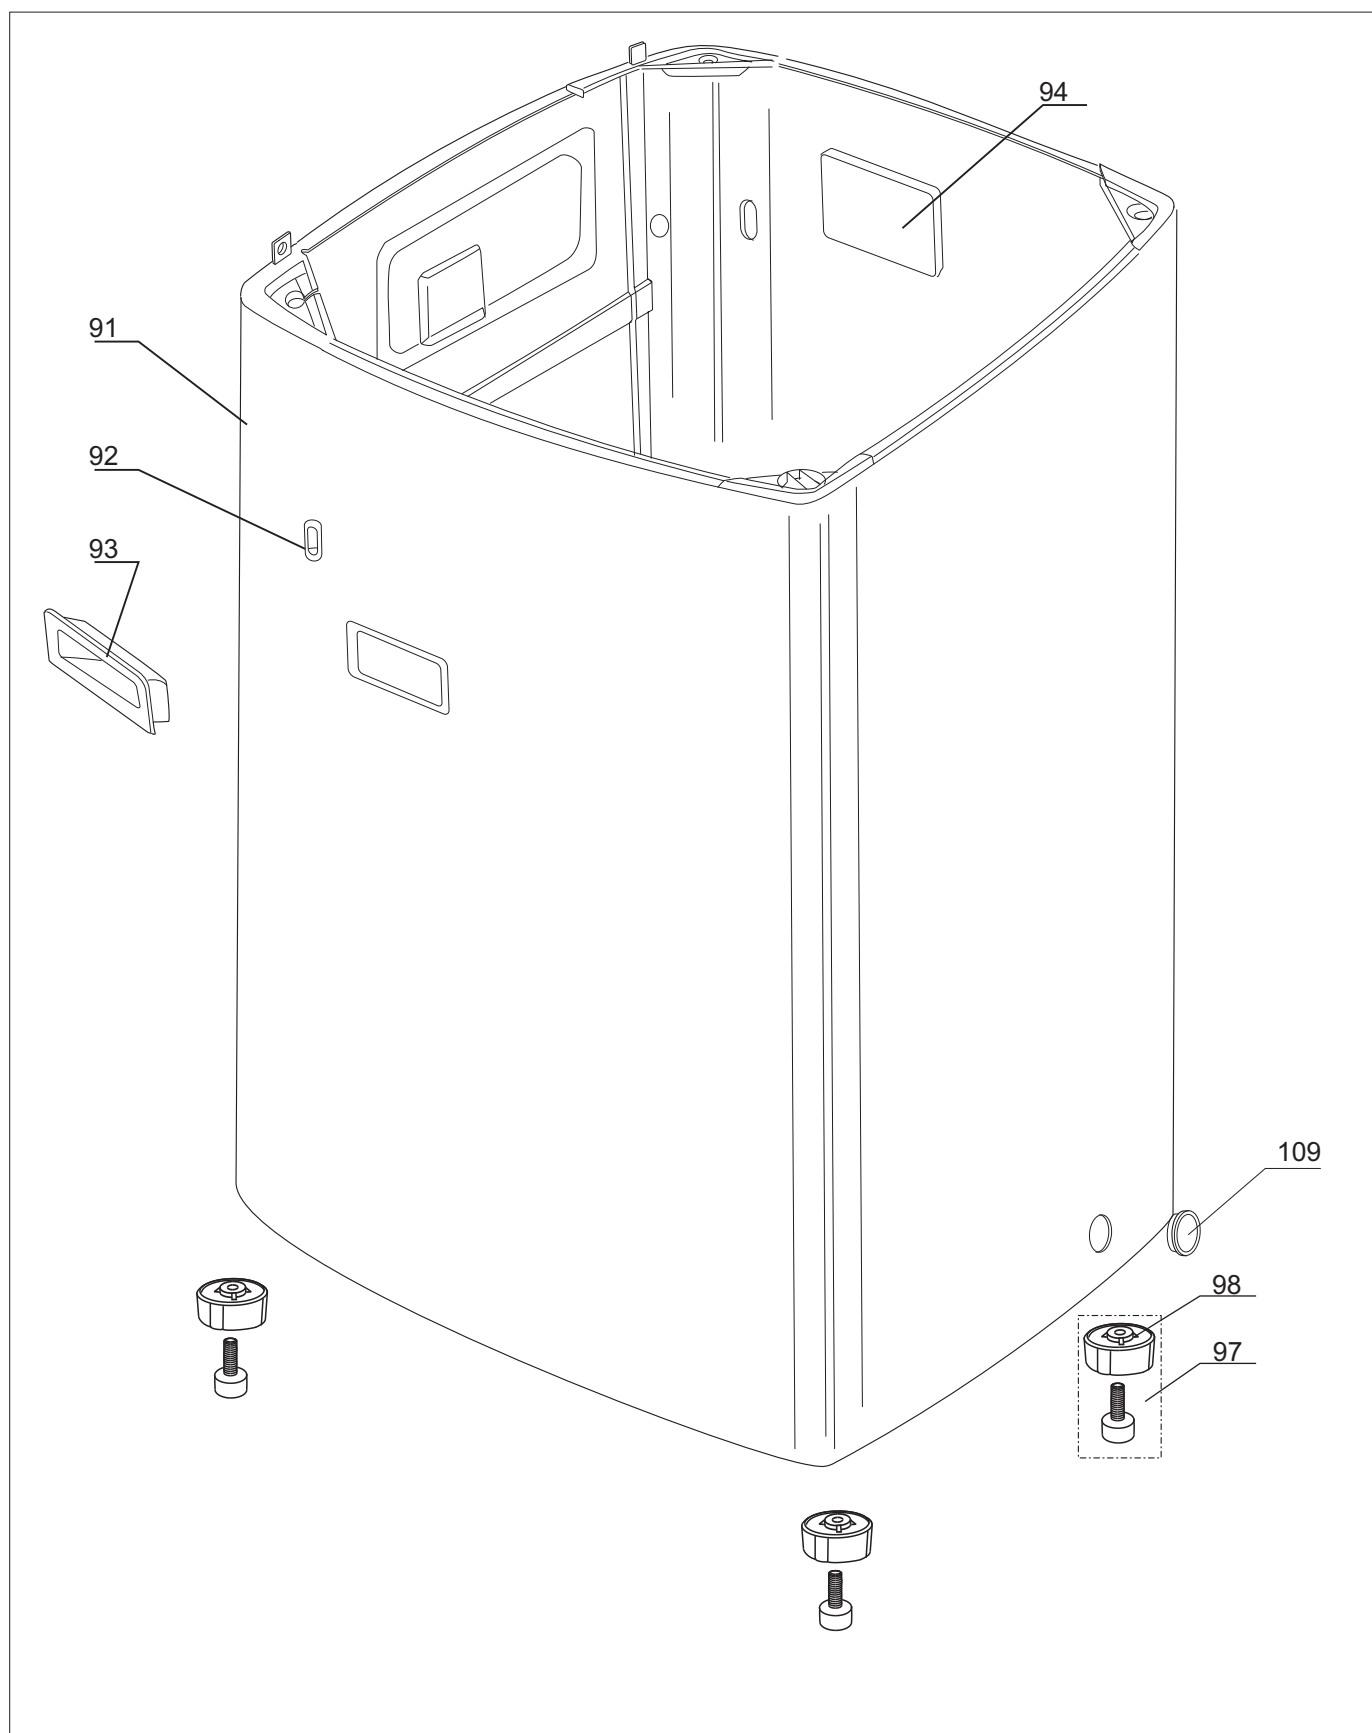

## 2. inner tub components

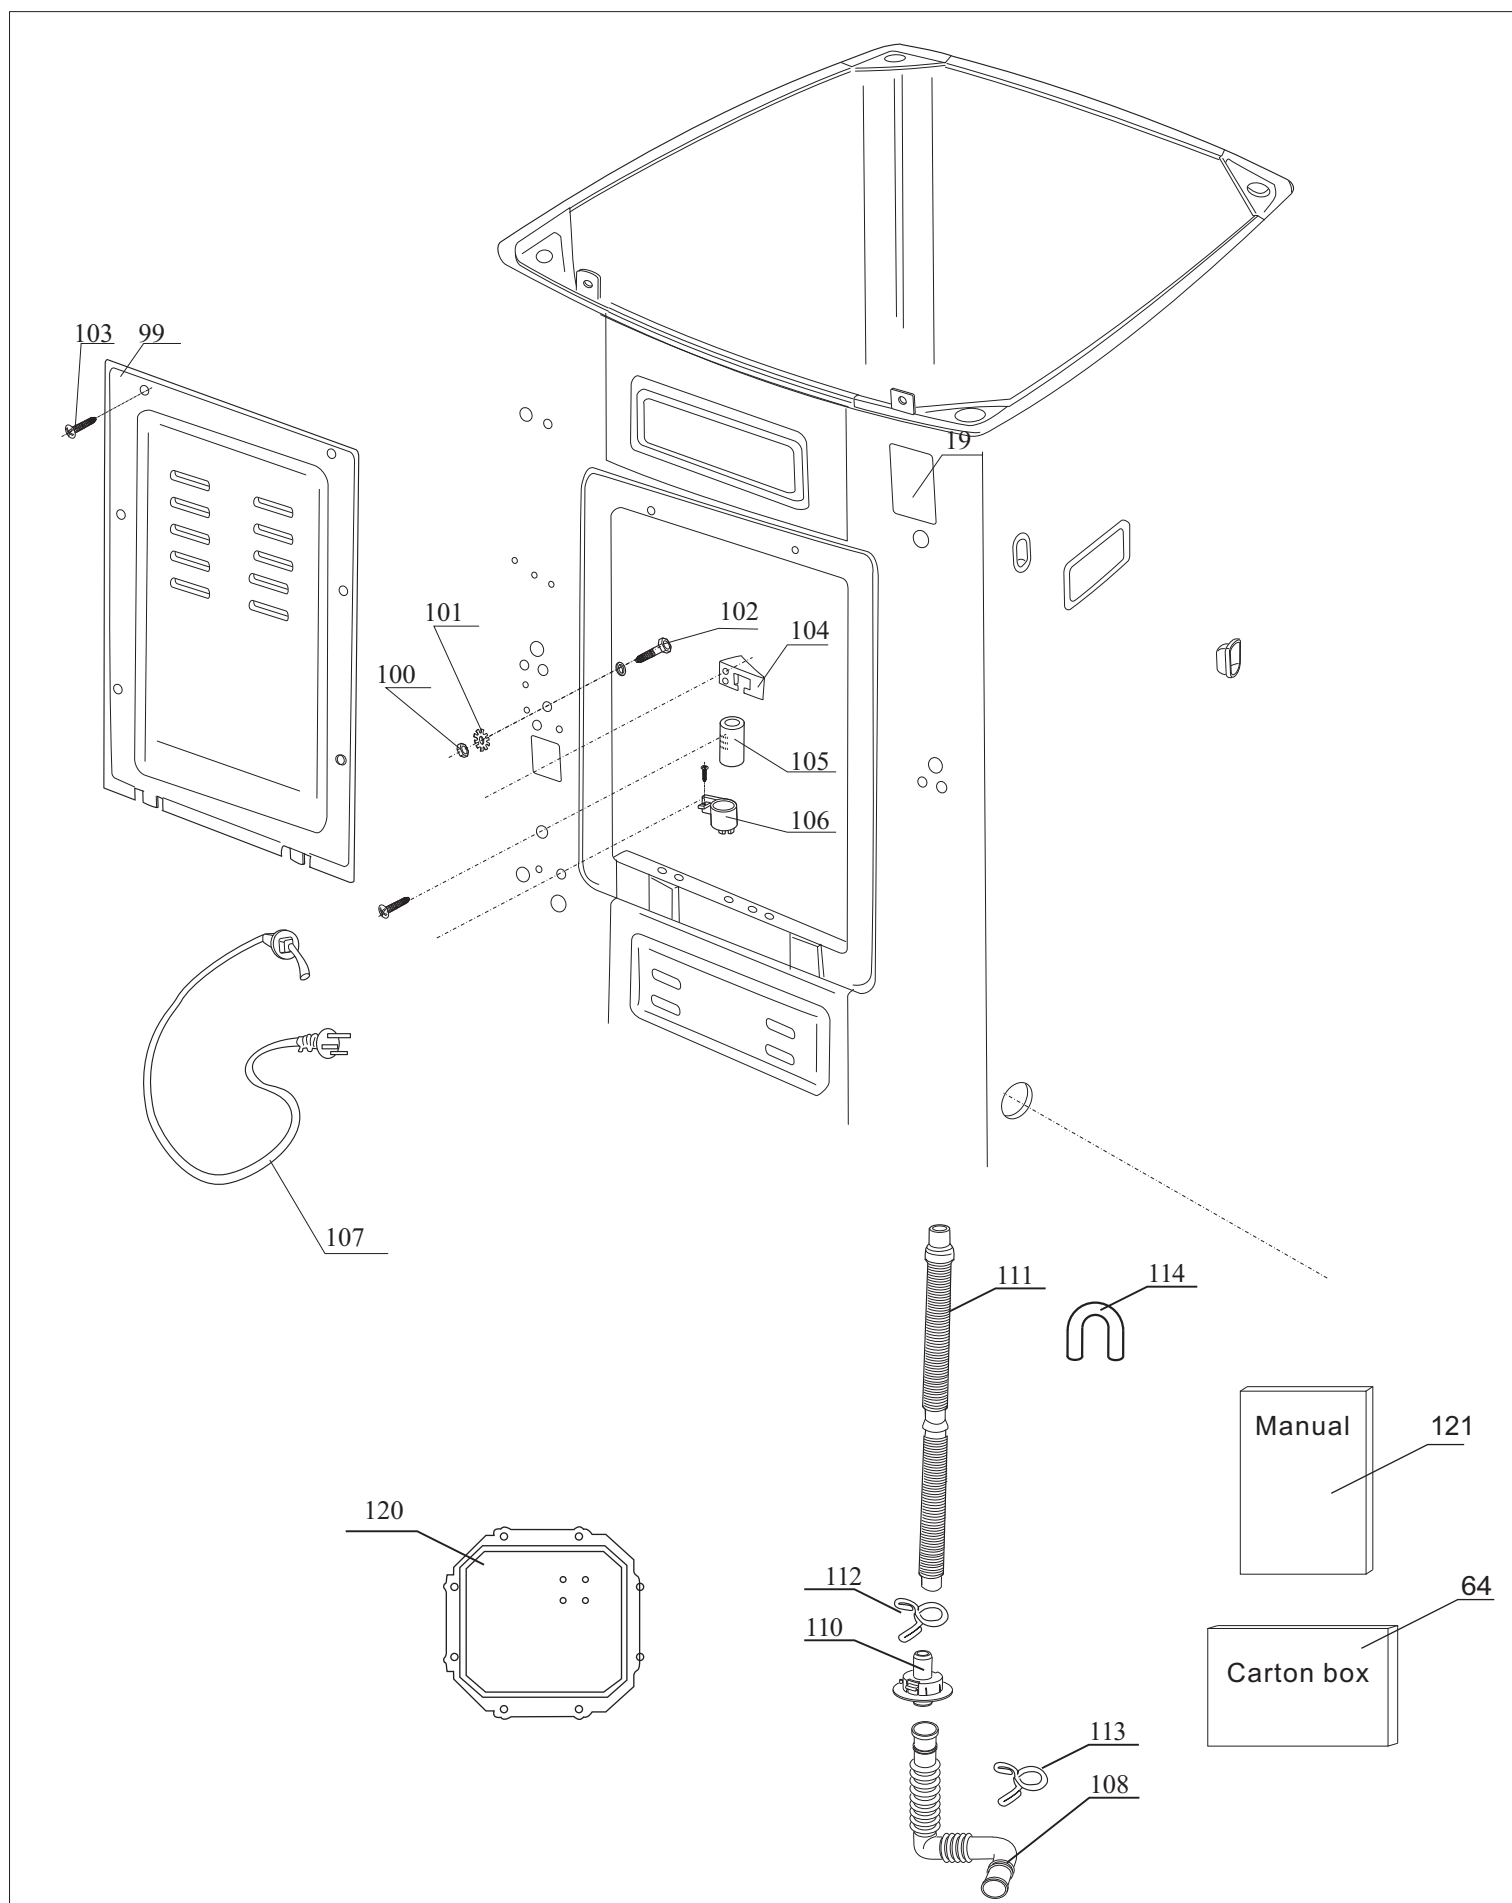

### 3. Outer tub components

## 4. Cabinet components

## 5. Cabinet components

# Washing Machine

| No. | Part code    | Parts name                    | Qty. |
|-----|--------------|-------------------------------|------|
| 1   | 00330103014  | Water absorption cushion      | 2    |
| 2   | 0030204599   | Overflow connect pipe         | 1    |
| 3   | 0030501612   | Tablet of Cold water          | 1    |
| 4   | 0030503257   | Drying hole cover             | 1    |
| 5   | 00330802008A | Tapping screw                 | 2    |
| 6   | 0030201008   | Back plate                    | 1    |
| 7   | 0030801959   | Component of top lid          | 1    |
| 8   | 00330901218A | Notice tablet                 | 1    |
| 9   | 0030200634   | Top lid axis                  | 1    |
| 10  | 0030501611   | Tablet of warm water          | 1    |
| 11  | 0030200023   | Handle cover                  | 1    |
| 12  | 00330067003  | Magnet                        | 1    |
| 13  | 0030200012   | Magnet box                    | 1    |
| 14  | 00330201010  | Sealing cushion of valve      | 1    |
| 15  | 00330508016  | Warm water valve              | 1    |
| 16  | 0030400063A  | Wire unit                     | 1    |
| 17  | 00330301115  | Z plate                       | 1    |
| 18  | 00330810015  | Tapping screw                 | 1    |
| 19  | 0030507915A  | Nameplate                     | 1    |
| 20  | 00330503006  | Stop switch                   | 1    |
| 21  | 00330201010  | Sealing cushion of valve      | 2    |
| 22  | 0030200661   | Filling water box             | 1    |
| 23  | 00330603055  | Kick spring                   | 1    |
| 24  | 00330508015  | Dual valve                    | 1    |
| 25  | 00330101482  | Valve supporter               | 1    |
| 26  | 00330602003  | Guide tube clamp              | 1    |
| 27  | 00330510003  | Water level sensor            | 1    |
| 28  | 00330603004  | Small Twisting spring         | 1    |
| 29  | 00330101013  | Control rod seat              | 1    |
| 30  | 00330301007  | Control rod                   | 1    |
| 31  | 00330109027  | Dry reed pipe support         | 1    |
| 32  | 00330519001  | Dry reed pipe unit            | 1    |
| 33  | 0030201009   | Small lid II                  | 1    |
| 34  | 00330802074A | Tapping screw                 | 1    |
| 35  | 00330125013  | Transparent view window plate | 1    |
| 36  | 0030201010   | Small lid I                   | 1    |
| 37  | 00330073009  | Balance display               | 1    |
| 38  | 00330802074A | Tapping screw                 | 1    |
| 39  | 0030201006   | Front control plate           | 1    |
| 40  | 0034000921   | Computer sequencer            | 1    |
| 41  | 00330810015  | Tapping screw                 | 5    |
| 42  | 0030201005   | Control plate seat            | 1    |
| 43  | 00330810033  | Tapping screw                 | 4    |
| 44  | 0030200632   | Outer tub cover               | 1    |

| No. | Part code    | Parts name                           | Qty. |
|-----|--------------|--------------------------------------|------|
| 45  | 00330013011  | Balance ring component               | 1    |
| 46  | 00330101736  | Lint filter                          | 1    |
| 47  | 0030600056   | Fasten screw                         | 1    |
| 48  | 00330806003  | Dentate gasket                       | 1    |
| 49  | 0030203822   | Pulsator                             | 1    |
| 50  | 00330810015  | Tapping screw                        | 2    |
| 51  | 0030201372   | Filter cover                         | 1    |
| 52  | 00330211010  | Sealing strip (long)                 | 2    |
| 53  | 0030803639   | inner tub component A                | 1    |
| 54  | 00330810035  | Tapping screw                        | 8    |
| 55  | 00330810001  | Screw unit                           | 4    |
| 56  | 00330014035  | Damping component I                  | 1    |
| 57  | 00330014036  | Damping component II                 | 3    |
| 58  | 00330104010  | Protective mad of Guiding press tube | 2    |
| 59  | 00330115018  | Guiding press tube                   | 1    |
| 60  | 00330602003  | Clamp of guiding press tube          | 1    |
| 61  | 00330105500  | Locking belt                         | 5    |
| 62  | 00330101020  | gas cell cover                       | 1    |
| 63  | 00330101476  | Outer tub                            | 1    |
| 64  | 0030503948D  | Carton box                           | 1    |
| 65  | 00330603023  | Pullback spring                      | 1    |
| 66  | 0030400503   | Wire HM                              |      |
| 67  | 00330101023  | Valve tube                           | 1    |
| 68  | 00330303005  | Pulsator cushion                     | 1    |
| 69  | 0030805973   | Damping clutch                       | 1    |
| 70  | 00330806003  | Dentate gasket                       | 1    |
| 71  | 00330502020  | Inner earthing unit                  | 1    |
| 72  | 00330804003  | Flat gasket                          | 1    |
| 73  | 00330804001  | Screw                                | 1    |
| 74  | 00330101007  | motor insulation pad, down           | 2    |
| 75  | 00330504558  | Motor                                | 1    |
| 76  | 00330101006  | motor insulation pad, upper          | 2    |
| 77  | 00330812013  | Motor bolt                           | 2    |
| 78  | 0030800118   | Connecting arm                       | 1    |
| 79  | 0034000764   | Drain motor                          | 1    |
| 80  | 00330812004A | Bolt                                 | 2    |
| 81  | 00330011019  | V-belt                               | 1    |
| 82  | 00330401015  | Radiating pulley                     | 1    |
| 83  | 00330812061A | Bolt                                 | 1    |
| 84  | 00330105504  | Crimp bushing                        | 8    |
| 85  | 00330703002  | Safeguard bag                        | 1    |
| 86  | 00330302006  | Support seat of connecting arm       | 1    |
| 87  | 0030300038   | Connection pipe                      | 1    |
| 88  | 0034000110   | Drain pump                           | 1    |
| 89  | 00330301016  | U- shield                            | 1    |
| 90  | 00330812014A | Hexagonal locking screw              | 4    |
| 91  | 0030100747   | Cabinet                              | 1    |

| No. | Part code    | Parts name                        | Qty. |
|-----|--------------|-----------------------------------|------|
| 92  | 00330111535  | Hanger                            | 2    |
| 93  | 0030200046   | Cabinet handle                    | 2    |
| 94  | 00330103012  | Damping protective pad of cabinet | 3    |
| 95  | 0030100007   | Big drain hose clamp              | 1    |
| 96  | 00330302024  | Drain pump seat                   | 4    |
| 97  | 00330017008  | Adjustable foot unit              | 4    |
| 98  | 0030200617   | Adjustable nut                    | 4    |
| 99  | 0030100431   | Back cover                        | 1    |
| 100 | 00330804002  | Nut                               | 2    |
| 101 | 00330804003  | Flat gasket                       | 2    |
| 102 | 0030600028   | Bolt                              | 2    |
| 103 | 00330802001A | Tapping screw                     | 1    |
| 104 | 00330308002  | Power cord fixing clamp           | 1    |
| 105 | 00330506532  | Capacity                          | 1    |
| 106 | 00330101311  | Capacity of Fasten seat           | 1    |
| 107 | 0030400126   | power cord                        | 1    |
| 108 | 0030300039   | Inner drain hose                  | 1    |
| 109 | 0030200660   | Protective cover of Drain hole    | 1    |
| 110 | 0030200631   | Protective bushing of Drain hose  | 1    |
| 111 | 0030800864   | Outer Drain hose component        | 1    |
| 112 | 0030100132   | Hoop                              | 1    |
| 113 | 0030100006   | Small drain hose clamp            | 1    |
| 114 | 00330203014  | Drain hose hanger                 | 1    |
| 115 | 0030802835   | Water inlet pipe components       | 2    |
| 116 | 00330101270  | Water cap                         | 1    |
| 117 | 0030803487A  | Detergent box                     | 1    |
| 118 | 00330906589A | Wash box tablet                   | 1    |
| 119 | 0030503946D  | Control panel film                | 1    |
| 120 | 00333101139  | Bottom cover                      | 1    |
| 121 | 0030807390C  | Manual                            | 1    |
